

# Layout Solutions for Office Manufacturer

## PROJECT DETAILS

 Design

 Jan. - June 2020

 \$50,000 to \$199,999

“  
*"In Plus972, they are very professional, responsive, and warm people."*

## PROJECT SUMMARY

Plus972 assisted an office manufacturer on their office design layout, budget, project management, installation, and after warranty service. They managed 50 workstations located in different office areas.

## PROJECT FEEDBACK

With Plus972's effectiveness and efficiency, the company was able to receive the furniture at the agreed timeline. Overall, they manifested great communication with the client. The customer is more than satisfied with the project's results.

## The Client

Please describe your company and your position there.

I am US Market Manager for European leading office furniture manufacturer Narbutas [www.narbutas.com](http://www.narbutas.com)

## The Challenge

For what projects/services did your company hire Plus972?

Plus972 helped our company to consult and closely work with end - user on office design layout, budget, project management, installation and after warranty service.

What were your goals for this project?

To provide to end- user the best package solution.

Schedule: 5.0

Cost: 5.0

Would Refer: 5.0

## The Approach

How did you select Plus972?

Plus972 was highly recommend by other NY company.

Describe the project in detail.

In total it was a project of 50 workstations, with different office areas like private offices, meeting rooms, reception area. Plus972 managed layout of the office and brought to the project right product lines solutions.

What was the team composition?

Modern, nice and safe office.

## The Outcome

Can you share any outcomes from the project that demonstrate progress or success?

The furniture was ordered and installed on time.

How effective was the workflow between your team and theirs?

It was very professional and constructive communication between the factory and the client.

What did you find most impressive about this company?

People!!! In Plus972, they are very professional, responsive, and warm people. It's much easier to achieve the best results with the right people!

Are there any areas for improvement?

We were happy with everything on this project.
